

# REGISTRATION DATES FOR 2007 / 2008

With over 500 students and over 50 teachers in our program, it has become necessary to hold early registrations. It has also proved to be more convenient for families to have registrations while classes are still in session. These registration dates need to be coordinated with Holy Week, Easter, School Vacations and First Communions, so there is a reason for the dates that were picked. We spend a lot of time over the summer months working on the schedules, updating the computer information, ordering books, purchasing supplies, distributing all of these books & supplies, recruiting & training teachers, substitutes & volunteers, forming all of the classes and much more. All of this depends how many students are enrolled in the program.

Our sincere thanks to those of you who registered during the scheduled times last year. It was our best turn-out yet and it helped to eliminate a lot of extra work for us.

Please help us again this year by registering your student on one of the dates listed below. It takes only minutes to register, and saves us a great deal of time when we can enter all of the information into the computer at once. It will also eliminate extra mailings and phone calls. If you are unable to make of these registration times, please contact Kathy at the rectory to make other arrangements before the last date.

\*\*\*Any registration received after July 1<sup>st</sup>, 2007 will be subject to a \$15.00 late fee. Thank you for your cooperation in this matter. It is greatly appreciated.
