

# REGISTRATION DATES FOR 2008 / 2009

With over 525 students and over 52 teachers in our program, it is necessary to hold early registrations. It has also proved to be more convenient for families to hold registrations while classes are still in session. These registration dates need to be coordinated with Holy Week, Easter, School Vacations and First Communions. We spend a lot of time over the summer months working on schedules, updating computer information, ordering books, purchasing supplies, distributing all of these books & supplies, recruiting & training teachers, substitutes & volunteers, forming and organizing over 40 classes and more. All of this depends on how many students are enrolled in the program.

Our sincere thanks to those of you who sent your forms back or brought them by during the scheduled registration times. It helped to eliminate a lot of extra work for us and we appreciate that you made it a priority and got it completed.

Please help us again this year by sending your verified information and payment back to us through the mail, collection basket at Mass or dropping it off at one of the registration dates listed below. It takes only minutes to register, and saves us a great deal of time when we can enter all registered families at the same time. It also eliminates extra mailings and phone calls. If you are unable to return this information back to us on time, please contact the rectory before the last registration date.

\*\*\* Any registration received after July 1<sup>st</sup>, 2008 will be subject to a \$15.00 late fee. Thank you for your cooperation in this matter. It is greatly appreciated.
