

2ND GRADE DATES TO REMEMBER

Every class will have a chance when it is their turn to participate in the grade Mass. Worshipping God at Mass is the most important part of your child's religious education and even if it isn't their classes turn to participate, all the students should attend Mass each week.

The following is a list of the special dates to remember. It does not include the dates for classes that are on your family schedule. Check your family schedule for exact times. It may be helpful keeping these papers and other notices you receive throughout the year in this folder for easier reference.
